District Director, District 115

March 15, 2020

Dear Members of District 115,

Due to the evolving impact of the coronavirus disease (COVID-19), the Board of Directors has made the following decisions March 14, 2020 at 9:45 PM effective immediately:

- Area, Division and District events can **no longer be conducted in person**, on or prior to June 1, 2020. As an alternative they encourage Areas, Divisions, and Districts to host events online to help clubs and members through this difficult time.
- Therefore, our first **Conference on May 13, 2020 is cancelled**. We will be having our DEC (District Executive Committee) meeting online and our DC (District Council) meeting online with online voting for new officers for our 2020-2021 year.
- On March 12, 2020 the Board of Directors moved to **allow all clubs to have their meetings online**. We have had online clubs for over three years, and it is not as hard as I thought it was. We are working on easy steps for clubs to get started. The Zoom format will be at no cost to the clubs. This is a skill set that many of our members will be needing in their work positions in the next few months. We strongly encourage all of our clubs to move to online meetings.

Please look at your emails this week as we will be updating you on the Area E Contest this Saturday, March 21, 2020, the 5 Division Contest, the District Contest and any other updates.

We are committed to working with you to provide you the best support possible as we move forward.

Yours in Success
Steve Goldstein, DTM
District 115 Director
